CWMD Members –

On Tuesday, 2 June we will open the 60-day nomination window for seats on the CWMD Executive Committee (ExCom).

The CWMD Executive Committee embraces diversity, inclusion and equality and is actively seeking a more diverse set of applicants to serve on the CWMD Executive Committee. Further it is not a requirement for nominees to hold senior or executive level positions within your organization. The Executive Committee seeks individuals with suitable counter WMD development experience, across the entire spectrum, to represent the CWMD in peer-level engagements with Government decision makers, other members of the CWMD Executive Committee and CWMD members. This may include, but is not limited to, Principal or Senior Investigators, other research roles, Quality or Regulatory roles, etc. Diversification of thought and experience is desired to best represent the interests of the CWMD membership.

For this election cycle we will have **3 seats available** in the categories listed below. You will be provided an on-line nomination form requiring that all nominees are self-nominated. Also your company must be in the appropriate business category.

Of the 3 seats open, all are current seats on the ExCom. These seats will serve a 3-year term and will go up for reelection next during the summer of 2024.
