

INDUSTRY DAY

MEDICAL DOMESTIC SUPPLY CHAIN &
INDUSTRIAL BASE EXPANSION EFFORTS

JUNE 28, 2021

Virtual | see details below

Join us for this virtual event. The Joint Program Executive Office for Chemical, Biological, Radiological, Nuclear Defense (JPEO-CBRND) and the Office of Under Secretary of Defense (OUSD) (A&S) Joint Rapid Acquisition Cell (JRAC) will host an Industry Day for all interested industry partners who offer potential solutions that innovate, increase, expand, and/or accelerate domestic manufacturing related to Medical Chemical and Biological Countermeasures and Nitrile Butadiene Rubber (NBR) key chemicals (butadiene, acrylonitrile, methacrylic acid) for Nitrile glove manufacturing.

JPEO-CBRND and JRAC will outline how they are supporting the Department of Health and Human Services (HHS) with the presidential initiative to expand the domestic medical supply chain and industrial base in order to posture for future pandemic response. Join us and learn about how you can support this effort.

Two sessions will be held, designated as follows:

9:00am – 12:00pm: JPEO

(Supported by Army Contracting Command)

- Consumables and Raw Materials
- Fill-finish
- Vials
- Needles/Syringes

REGISTER HERE

1:00pm – 4:00pm: JRAC

(supported by Air Force Lifecycle Management Center Contracting)

- Butadiene
- Acrylonitrile
- Methacrylic Acid

REGISTER HERE

To register, please follow the appropriate link to the session of interest above.
